## International Seminar on Renal Epidemiology

Tuesday and Wednesday  
17-18 May 2022

**Face-to-face and remotely**

Registration: <http://epidemionephro.com/>

<http://epidemionephro.com/>

Tuesday 17 May

13:30 – Welcome to delegates

14:00 – 15:30

Session 1: Gender disparities in nephrology  
*Chairmen: Valérie Châtelet*

- **20'** Gender Disparities in Kidney Transplantation Referral Vary by Age and Race – A Multi-Regional Cohort Study in the Southeast US (Jessica Harding, USA)
- **20'** Sex disparities in mortality and hospitalisation for patients with CKD in the Irish Health System (Austin Stack, Ireland)
- **10'** Is there sex disparity in vascular access at dialysis initiation in France? A mediation analysis using the data of the REIN registry (Mathilde Beaumier, France)
- **10'** Inequalities in renal orphan diseases (Hamza Sakhi, France)
- **10'** Disparities in academic carriers (Cécile Vigneau, France)
- **20' discussion**

15:30 – 16:30

Session 2: On-going studies, collaborative projects  
*Chairman: Thierry Lobbedez*

- **15'** Covid epidemiology in dialysis and kidney transplantation patients compared to a matched cohort of general population (Patrik Finne, Finland)
- **15'** GUIDAGE-CKD: Evaluating the uptake of CKD guidelines in individuals 70+ years using population-based cohort and insurance claims data (Natalie Ebert, Elke Schäffner, Germany)
- **10'** WATT Women access to renal transplantation (Latame, France)
- **20' discussion**

Coffe break

Wednesday 18 May

17:00 – 18:30

Session 3: Model of care  
*Chairman: Olivier Moranne*

- **20'** ASCENT: (Allocation system changes for equity in kidney transplantation) effectiveness-implementation trial to extend the reach of a U.S. kidney allocation change (Rachel Patzer, USA)
- **15'** Cardiac screening practices in people being worked up for kidney transplantation (Ailish Nimmo, United Kingdom)
- **15'** Effect of social deprivation on the access to the waiting list for renal transplantation: a mediation analysis (Eve Calvar, France)
- **10'** Impact on Mortality of Screening for Kidney Disease Associated With a Specialized Intervention During Hospitalization in a Territorial Hospital Trust (Olivier Moranne, France)
- **10'** Association between predialysis care profile and early morbi-mortality in elderly patients starting dialysis (Aghiles Hamroun, France)
- **20' discussion**

18:30 – 19:30

“Over a glass”

9 :00 – 10 :30

Session 4: Qualitative and health economic studies  
*Chairman: Sahar Bayat*

- **20'** The mechanisms that shape the care trajectory leading to emergency dialysis start: crossing patients', GPs and nephrologists' perspectives (Maxime Raffray, France)
- **20'** Development of an algorithm for identifying chronic kidney disease in the French national health insurance claims database (Mathilde Lassalle, France)
- **10'** Impact of comorbidities on global cost for patients with ESKD (Isabella Vanoriovega, France)
- **10'** Cost comparisons of four modalities of dialysis for autonomous patients (Cécile Couchoud, France)
- **10'** French SWIFT - pilot study: preliminary results of the patient and healthcare professional focus groups (Carole Ayav, France)
- **20' discussion**

10:30 – 11:00

- **30'** Mini lecture: Disparities in paediatric (Julien Hogan, France)
-

Coffe break

11:30 – 13:00

Session 5: Miscellaneous  
Chairman: Emmanuel Villar

- **20'** Inverse probability of treatment weighting (Nick Chesnaye, The Netherlands)
- **20'** Functional representation of the network organisation of dialysis activities in France: a novel level for assessing quality of care (Florian Bayer, France)
- **10'** Risk of infections after start of Peritoneal Dialysis versus home dialysis (Patrik Finne, Finland)
- **10'** External validation of KFRE prognosis toll (Julien Prouvot, France)
- **10'** External validation of a dynamic prediction model for graft failure in paediatric kidney transplantation (Julien Hogan, France)
- **20' discussion**

13:00 – Conclusion

With the Support of the  
Commission Epidémiologie et Santé Publique  
Société francophone de Néphrologie Dialyse Transplantation
